Strategic Football Operations

1. Ideas we've leaned on to establish an identity

    A. Theoretical vs Applied Research
    B. Humility, Communication, Collaboration
    C. Critical Importance of Trust

“Trust is the glue of life. It’s the most essential ingredient in effective communication. It’s the foundational principle that holds all relationships.”

– Stephen R. Covey

“Give me the right people and I don’t much care what organization you give me. Good things will happen. Give me the wrong people and it doesn’t matter what you do with the organization. Bad things will happen.”

– Collin Powell
